

K9 PRIME™

Breaking Records and Creating Champions!

Why Your Dog Food Isn't Enough. Build a Stronger, Healthier Dog!

Dogs love to eat, so why not provide them with the very best in supplementation and nutrition. K9 Prime™ is a super food supplement that supplies your dog with the nutrients they need to live a long and healthy life. This peptide and pure American beef liver product corrects any deficiencies, maximizing the life-giving nutrients given at each feeding. K9 Prime™ has created a super food supplement, fast acting and highly effective for MUSCLE MASS STRENGTH, RECOVERY and LONGEVITY. K9 Prime™ can be given as a treat or added to all feedings. Since the discovery of the existence of peptides, they have acquired the scientific backing of academic and government support.
